in a good cause than to be victorious in -Remember, alliancemen, in 1892 we

FOSTER'S FALSEHOOD. In the Interest of the Gold Bogs He For-gets a Portion of a Witness' Oath.

Secretary Foster's antipathy for telling the truth, the whole truth and nothing but the truth, when speaking about our financial condition and regu-lations, was again manifested in his letter to the recent bankers' conven-tion at New Orleans. In detailing the provisions of the act of July 14, 1890, providing for the purchase of 4,500,000 ounces of silver a month and the pay ment therefor with United Stat

"The notes to be a full legal tende —It is fight for the eternal principles of truth, life, liberty and the rights to tion as part of its lawful reserve."

weekly Toiler.

The banks are tumbling in the United States and in Germany. Some of these days the burnt child will dread the fire, and have the people do their own banking.—National Advance.

The latest news indicates that the people's party will hold the balance of power in the Ohio legislature. That

The following table, showing the vote of candidates for the office of secretary of state in Kansas in 1890, as compared with the republican, democratic-republican, people's and democratic vote for 1891, with republican pluralities by counties in earlier days, and the per centage of the strength of the people's party in 1898 and 1891, in the several counties of the state, is taken from the Topeka (Kan.) Advocate:

erk, coroner and surveyor. Scotts Bluffs, superintender

Sherman, whole ticket elected. Sioux, whole ticket elected. Valley, treasurer, judge, sheriff,

elected E. E. Link senator to fill vacancy caused by resignation of Koontz. When full returns are in we have no doubt many counties will be added to

The following independent district udges have been elected, viz: First district, J. E. Bush; third di trict, Mr. Tibbetts; fifth district, Messra Bates and Wheeler; seventh district, W. G. Hastings; eighth Allen: tenth district. Mr. Beal: eleventh district, Mr. Thompson; twelfth district, S. A. Holeomb; fourteenth district, Mr. Welty; fifteenth district, Mr.

SHYLOCK'S METHODS.

udges, five of whom were republican and two democrats. - Noncor

for a Loan of One-Third of the Value of a Farm Skylock Gets the Farm and Other Property of the Borrower. It does not make any difference h much lying the republican and demo-cratic papers and politicians do about the mortgage indebtedness of Kansas, how much abuse and calumny is heaped upon the so-called "calamity howlers," the fact still remains that the mortgage mills are still grinding all over the state and hundreds of farmers are still going to the wall. As a sample of how the old thing works-how Shylock's grists are turning out, the Topeka Alli-ance Tribune takes the following ex-

since January 1, in this county, after the loan companies secured title to the property, personal judgment of \$88,000 is on file in the clerk of the court's office against the property. fice against the unfortunate men who took the loans and lost not only their equity, but are doomed for life to a specter of a personal judgment. I know of one case where on a personal judgment of this kind they sold a man's corn in the crib at eight cents no bushel and took in all the cents no bushel and took in all the cents no bushel and took in all the cents no corn in the crib at eight cents no sum, after getting by law a deed for his land which they sold for more than the loan, thus robbing the farmer of

his crop and stock.
"Second—It is a matter of freque occurrence for a receiver to be appoint-ed, who takes absolute control of crops charge of everything. Fourteen re-ceivers were appointed by the court here inside of two weeks, just before wheat harvest. Another way the crops are taken by the loan company is this, every mortgage has interest coupons attached which are signed by the mortgage at the same time he signs mortgage.

much of physical courage as moral courage. Have courage to do right. Be a man. If you are not satisfied that the alliance is a good thing, that the the organization at once. If you are satisfied that it is right, defend it, stand by your leaders and your reform papers by your leaders and your reform papers.

Be a man; be a woman. Work for its success; talk for it; encourage the weak; secure recruits. A dead allianceman and a dead member of the church stand by your religion and your honest

on civilization.

Be a man. Don't let the politician with two hundred pounds of stomach and two ounces of brains warp and bias your mind. Don't let the editor who is the paid tool of monopoly and plutocracy frighten you when he de-clares that you are on the wrong track. If you agree with such people and If you agree with such people and speak through their trumpet, you are simply one of them. If your reform ideas do not correspond with theirs in every particular, that ought to be emphatic evidence that you are right. When a bad man opposes you, smile and say: "Now I know I am right; I'll stick."

The professional politician or the

money by reason of the performance, by it of certain functions, without re-gard to its form or substance."—Apple-

THE WORLD AT LARGE.

nmary of the Daily News WASHINGTON NOTES.

A DELEGATION of Cheyenne and Ara-pahoe Indians was in Washington lately relative to the payment of \$250,000 which is about due to these tribes. The purpose of the delegation is to secure its payment in money and not in goods of various kinds, as proposed by Secre-

SAMOAN Land Commissioner H. C. Ide, who has just returned from those islands, reports that hostilities may break out at any moment. Matanfa is the disturbing element. Many chiefs have been declared rebels.

UNITED STATES consular officers throughout France, reporting as to the prospects of the world's fair in the sev-eral districts, state that the feeling of the people is one of indifference and in one or two districts where the McKinley law presses most severely a feeling akin to hostility is manifested.

SUSPENDING the orders for the general court martial convened for the trial of Maj. C. B. Throckmorton, Second artillery, indicates that the major may be given an opportunity to resign

THE post office inspectors of the country have decided that "flash litera-ture" might be forbidden the mails. They will also advocate penny postage.

THE annual report of the inter-state
commerce commission is almost ready. It will give statistics of vast interest to

railroad men and the general public.

The annual report of Secretary
Noble of the interior department is
made public. He deals with many matters of interest to the west.

SECRETARY BLAINE'S physician says he is now in good health and will be yet better six months hence. THE court of claims at Washington gave judgment for \$824,000 in favor of the old settlers or western Cherokee, Indians in their suit against the United States to recover money alleged to be due them under the treaty of of 1846.

THE EAST. THE Irish National league of New York has passed resolutions to send no more assistance to Ireland until the

factions unite. The official count of the last election vote in Massachusetts gives Gov. Russell 157,982 and Col. Allen, republican,

Fire at St. Albans, Vt., destroyed eight business blocks and the Congregational church. Loss, \$100,000.

JAY GOULD is said to have stated for

publication that he was out of Wall street for good. He is also reported to be ready to resume Missouri Pacific

FIRE at Philadelphia destroyed the bagging factory of Peter Young.

The football match between Yale and Princeton, Thanksgiving day, was won by Yale with a score of 19 to 6.

The westbound passenger train on the 'Frisco road was robbed by masked men at Glendale, twelve miles from St. Louis, on the night of the 30th. A MRS J. A. DREXEL, wife of the Phil-

delphia banker, died recently at the family's country seat, Runnymede. She has been ailing for a year with an affection of the heart and five weeks ugo was taken seriously ill. She was the daughter of John Doset, an old

COM. RONKENDORFF, of the United States navy, died recently at New York. He was born in Pennsylvania, was apointed to the navy in 1832 and served broughout the war of the rebellion was commissioned as commodore is 1873 and in the following year retired.

EDWARD M. FIELD, Daniel A. Lind-ley, John Frederick Wischers and Herley, John Frederick Wischers and Her-man C. Wilmus, composing the firm of Field, Lindley, Wischers & Co., bankers and brokers of No. 1 Broadway, New York, have assigned. The failure was

It is openly charged that the firm of Field, Welchers, Lindley & Co. of New sed Union Pacific securities held by it as security for loans.

Acron Robert R. Mantell's wife,

to whom he was married under roman

Rutgers female college, New York city, has been dismissed. She confessed having embezzled over \$3,000 of the college's money.

A SUPPOSED lunatic fired at Rev. De.

John Hall, the Presbyterian divine, as he passed from his church to the parwas a narrow escape for the clergyman. The assassin was arrested and proved to be John G. Rath, a German, aged 45,

ISAAC SAWTELLE, awaiting death at Concord, N. H., for killing his brother affidavit in which he confesses having been at the scene of the murder which occurred in Maine instead of New Hampshire and promises on a new trial to tell who was present and who did

REV. FATHER PETER HAVERMANS commemorated at St. Mary's church at Troy, N. Y., the sixty-first anniversary of his ordination in the priestho He is the oldest priest in this count having been born in Belgium in 1805 and extering the ministry in this country twenty-five years later. Ex-PRESIDENT GROVER CLEVELAND,

accompanied by Mrs. Cleveland and Baby Ruth, has left New York for a New Jersey winter resort. The liabilities of Field, Lindley, Weichers & Co., of New York, are placed at \$800,000, about half of which the Union Pacific will have to bear. No

criminal prosecution has been begun.

SANUEL LAYNAN, a theatrical man-

of Christ church, Cambridge, Mass., has renounced the Episcopal for the Roman Catholic church, after years of consid-

the late Gor. Hovey, of Indiana, were held at Mount Vernon, that state, on the 37th. Gov. Ira J. Chase preached

John Byron, engineer, and George Parker, fireman, were instantly killed. DAVID T. BRALA, a child two years

The plant established by the owners of the Michigan mine at Ishpeming for the separation of iron ore by electricity has proved a success. The works have so far turned out 30,000,000 tons of high

JOCHEY CASH SLOAN was ruled off at Garfield park, Chicago, for riding Bank-rupt to lose. The track was covered with snow and heavy.

HENRY M. MONROE, has begun two

suits against Dr. Keeley for damages caused by injuries without good results inflicted by the so-called bichloride of

gold cure. RICHARD P. HAMMOND, member of the board of police commissioners of San Francisco, died recently after a long illness. He was born in Mary-land, was a West Point graduate and

served with distinction in the Mexican known as Land Bill Allen, the originator of the homestead act, died at the county infrasary near Columbus, O., aged 83. He had spent a fortune in the interest of the bill of which he claimed

to be the originator.

TRACY, Minn., has been seriously hurt by fire. All the buildings betwee Third and Fourth streets, on Front, except the State bank, were destroyed. THE Soo elevator at Escanaba, Mich.,

has been destroyed by fire. Loss, \$250,000. THE jubilee of Archbishop Kenrick commenced at St. Louis on the 29th, to continue throughout the week. It was a notable event in ecclesiastical circles and was attended by church dignitaries and laymen in large nun

bers from all parts of the country. SEVEN persons were killed by a wreck on the Lake Shore near Toledo, O., on the night of the 28th. Many others were injured.

THERE was a slight earthquake felt at Seattle, Wash., on the morning of the 29th. EDITOR STINE, of Whiteson, Ore.

was shot and killed by N. G. Cook, a friend, who then killed himself. Cook APACHE renegades are accused of having killed two men in Arizona late-

ly. Great trouble was feared. THERE has been a severe cold snap, extending from the eastern states as far

west as St. Louis.

The clearings of the Kansas City associated banks for November were \$43,-146,455, an increase of \$4,079,435 over the clearings in November, 1890.

ALL the money secured by the Rio Grande railroad express robbers in Colorado two months ago has been recovered, thanks to the confession of one of the men.

A мов attempted to storm the jail at Indianapolis, Ind., on the night of the

30th, for the purpose of lynching Charles Brissow, charged with outrage on a little girl.

large sum was taken from the Adams THE SOUTH.
